

# New Fellow Orientation

Friday, July 8, 2022

# Today's Agenda

- 9-10 am Welcome & Overview
- 10-10:30am Dr. Molly Broder, Associate Residency PD
- 10:30-11am Dr. Michael Cabana, Department Chair
- 11-11:30am Dr. Pat Hametz, Senior Medical Director
- 11:30-12pm Dr. Olga Myszko, 2<sup>nd</sup> year Adol Fellow
- 12-1pm Tour
- 1-2:30pm Lunch

CX907059

*"Haven't they oriented you yet, Swenson?"*

# 1st Year Subspecialty Fellows 2022-2023

# Welcome!

- Please introduce yourself:
  - Name
  - Pronouns
  - Hometown
  - Residency
  - Fellowship
  - Favorite thing to do on a lazy afternoon

# Adolescent Medicine

**Nicole Rose Ferrigno-Layton, DO**

# Allergy & Immunology

**Rebecca Grohman, DO**

**Joshua Hanau, MD**

# Cardiology

**Jinal Gada, MD**

**Samuel Ross, MD**

# Critical Care Medicine

**Timothy Brandt, MD**

**Gabriella Mark, MD**

# Developmental & Behavioral Medicine

**Fiorella Beatriz Castillo, MD**

**Rebecca Polchinski, DO**

# Emergency Medicine

**Deeksha Borkar, MD**

**Christopher G. Xanthos, MD**

# Endocrinology

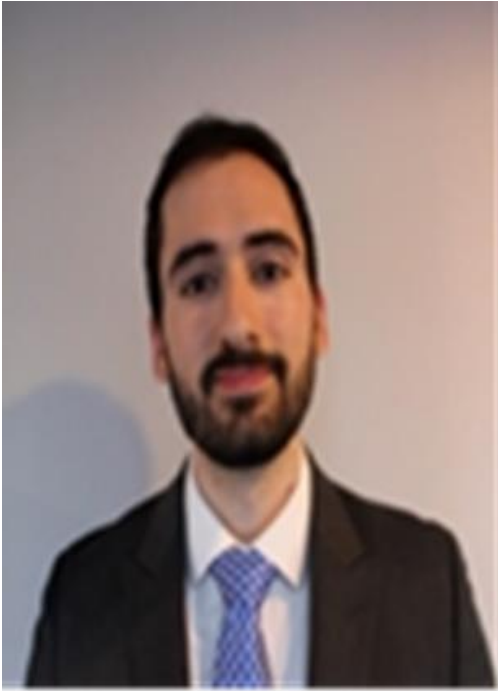

**Alexa Durante, MD**

**Sarah Rosenheck, DO**

# Gastroenterology

**Joseph W Chapman, MD**

**Deena E. Miller, MD**

# Hematology/Oncology

**Katrina Ann Blankenhorn, MD**

**Zoe King, DO**

# Hospital Medicine

**Deanna Hano, MD**

**Teresa Hoang-Wu, MD**

# Infectious Diseases

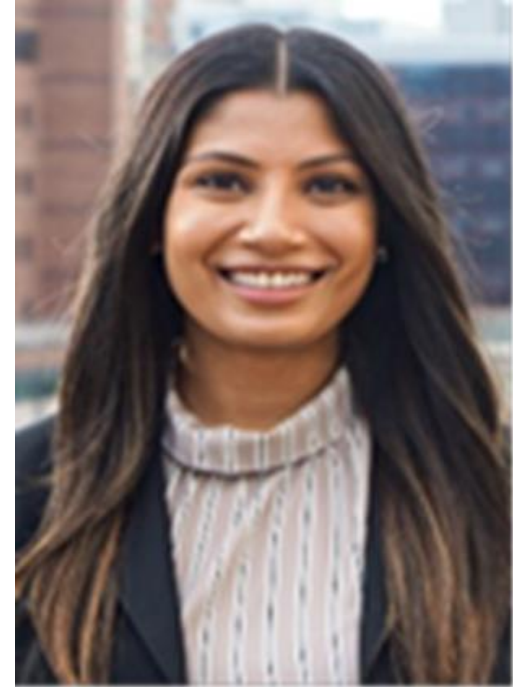

**Musa Bolkent, MD**

# Neonatal/Perinatal Medicine

**Radhika Maddali, MD**

**Nikitha Mangalapally, MD**

# Nephrology

**Mohammed Amin Amin, MD**

**Mishra Aparajita, MD**

# Respiratory Medicine

**Mahmoud Rateb Mosa Abu Zahra, MD**

# Rheumatology

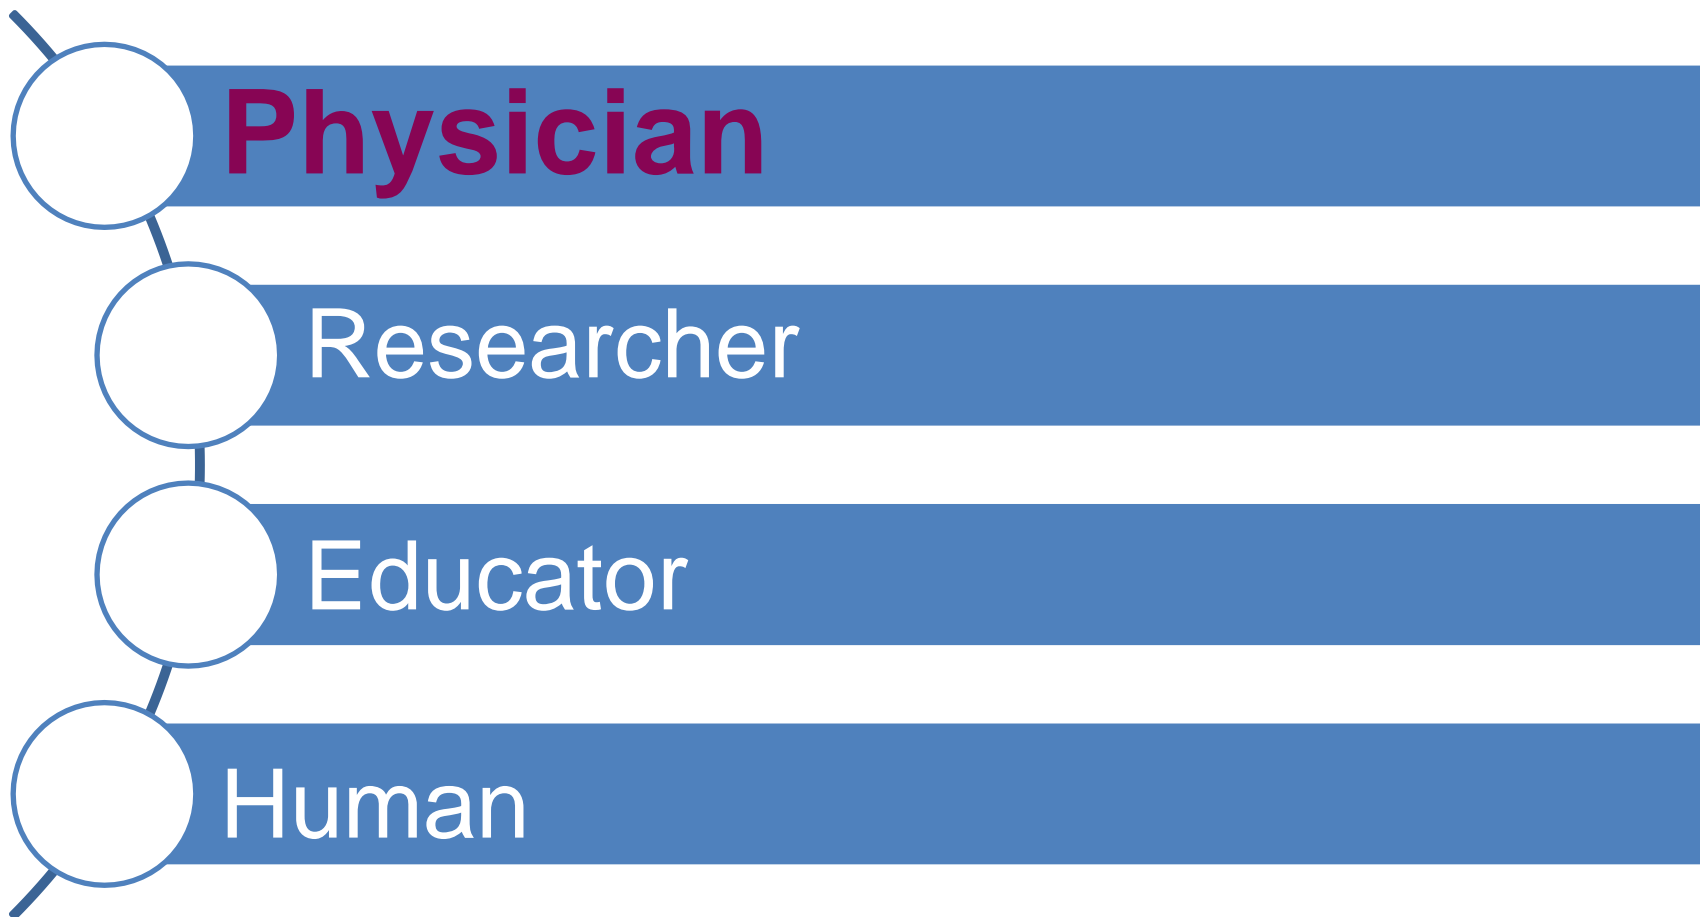

**Faith-Andrea Ikalina, MD**

**Samar Sohail Syeda, MD**

## Goals of Training are to Excel as....

# ACGME & ABP

## Accreditation Council for Graduate Medical Education (ACGME)

Accreditation Council for  
Graduate Medical Education

- Accredits training programs
- Develops the accreditation requirements for training programs
- Evaluates programs through site visits and data collection

## American Board of Pediatrics (ABP)

THE AMERICAN BOARD *of* PEDIATRICS  
*Certifying excellence in pediatrics – for a healthier tomorrow*

- Certifies individual pediatricians
- Sets the standards residents must meet during training to be admitted to the initial certification examination and for fellows to be admitted to the subspecialty certifying examination
- Works closely with ACGME to ensure that requirements for **program** accreditation & standards for certification of **individuals** are aligned

# Data Reported Annually to the ABP

---

- Program Directors provide end-of-year evaluations for each fellow in two areas: **clinical competence & professionalism.**
- Clinical competence may be evaluated as either satisfactory, marginal, or unsatisfactory.
- Professionalism may be evaluated as either satisfactory or unsatisfactory.
- Receiving a less than satisfactory performance evaluation does have ramifications.

## Clinical Competence

- Satisfactory
- Marginal
- Unsatisfactory

## Professionalism

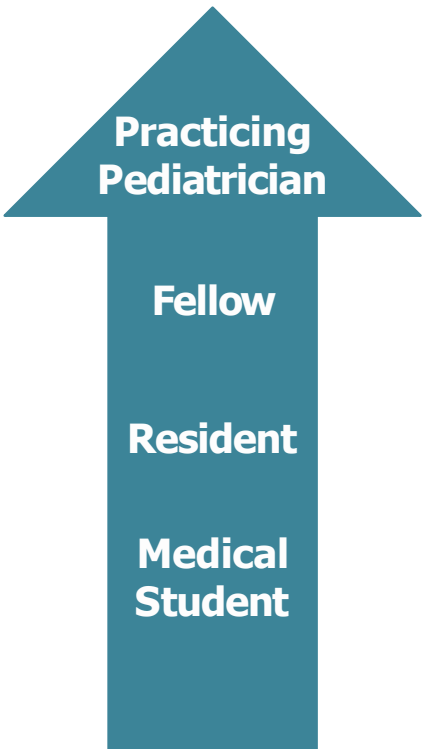

- Satisfactory
- Unsatisfactory

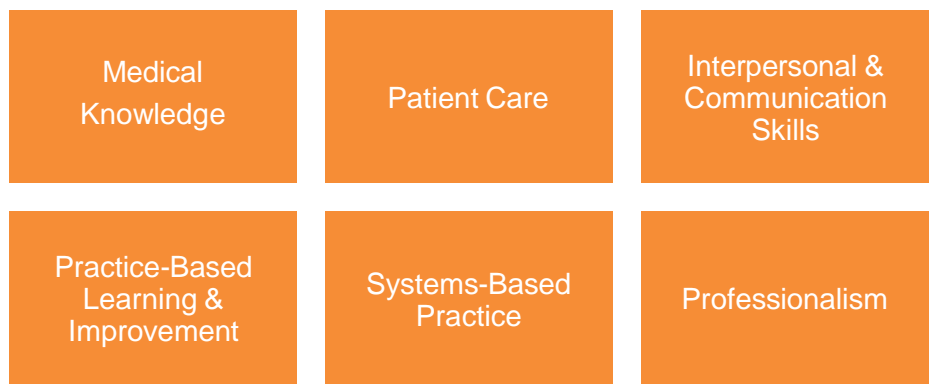

# Milestones & Competencies

---

The ABP and the ACGME have developed descriptions of observable behaviors, called Milestones, to be used in assessing the development of competence in the six core domains.

Your progress through these developmental milestones will be assessed in a variety of ways throughout your training.

# Milestones

---

- Milestones are reported twice a year to ACGME and your performance reflects on both you and your training program.
- ABP expects programs to use milestones to inform their annual assessment of fellows' clinical competence and professionalism.
- Milestones are reported to ACGME but **NOT** to ABP at the present time.

# Curriculum Competency Committee

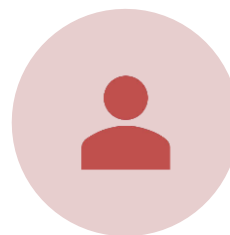

3 members, one of whom is a core faculty member

Reviews evaluations semi-annually

Determines milestone progress

Advisory to the program director

# Where do they get this information?

- NEW INNOVATIONS!

---

Attending Evaluation of Fellow

---

Fellow Evaluation of Attending - at least annually

---

Fellow Evaluation of Program – at least annually

---

Faculty Evaluation of Program – at least annually

---

Fellow Evaluation of Rotation – at least quarterly

---

Peer Evaluations

---

360 Evaluations

---

Self evaluations

# Subspecialty In-Training Examination (SITE)

---

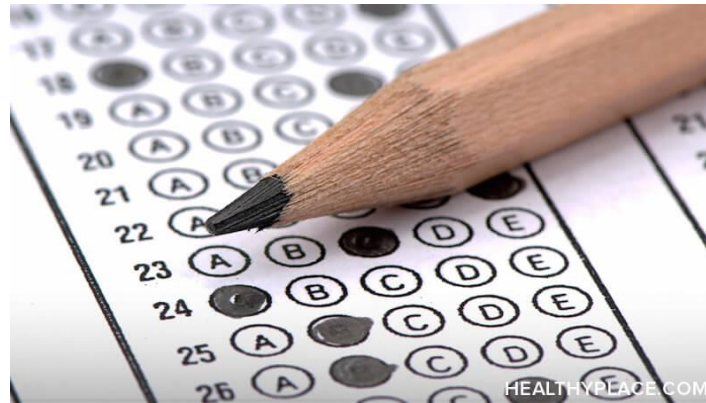

## Purpose:

- Designed as an abbreviated version of the subspecialty certifying exam
- To enable fellows to assess strengths and weaknesses in knowledge at the time of the exam
- To assess progress from year-to-year
- To compare performance with national peer groups

# Subspecialty Certifying Examination

- One half-day exam given every two years
- Cost ~\$2900
- Must successfully complete training with verification by fellowship program director

- Eligibility to take and pass the exam is 7 years after completion of fellowship
- Must also have an unrestricted medical license and be certified in general pediatrics
- Results reported to fellowship program director

*Review A Guide for Board Certification - A Booklet of Information for details*

# AAP & ABP

---

## American Academy of Pediatrics (AAP)

American Academy  
of Pediatrics

DEDICATED TO THE HEALTH OF ALL CHILDREN™

- Advocates for children & pediatricians
- Source of continuing medical education in pediatrics
- Members pay dues

## American Board of Pediatrics (ABP)

THE AMERICAN BOARD *of* PEDIATRICS  
*Certifying excellence in pediatrics – for a healthier tomorrow*

- Certifies pediatricians, known as diplomates
- Develops & administers In-Training, Certifying, & Maintenance of Certification (MOC) examinations
- Creates & manages process of MOC to ensure ongoing mastery of the six core competencies initially assessed during training

## Goals of Training are to Excel as...

# Scholarly Activity

---

- Fellows **MUST** engage in projects in which they develop hypotheses or in projects of substantive scholarly exploration and analysis
- Scholarship Oversight Committee (SOC) is responsible for monitoring progress and deciding whether the ABP requirements have been met
- Before the end of fellowship, a work product and a personal statement must be submitted to the ABP

More information can be found at:

<https://www.abp.org/apply-exam/subspecialty-certifying-examinations/subspecialty-cer>

## Scholarly Activities

---

Biomedical: Basic, clinical or translational

---

Health services

---

Quality Improvement

---

Bioethics

---

Education

---

Public policy

# ABP

Core Curriculum

Scholarly Activities

Work Product of  
Scholarly Activity

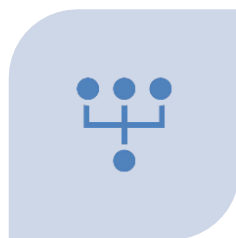

Scholarship  
Oversight  
Committee

# Scholarship Oversight Committee (SOC)

REQUIRED

AT LEAST 3 OR  
MORE  
INDIVIDUALS (1 –  
NON-DIVISION)

PD – NOT A  
VOTING MEMBER

COMMITTEE

# Fellows' Research Course - Core Curriculum

## Topics

Biostats in research  
Principles of epidemiology  
& clinical research design  
Ethics in Research  
QI

## ABP subspecialty exams

5-7% for in-training, initial certification  
2-5% for maintenance of certification

# Work Product of Scholarly Activity

---

Peer-reviewed publication

---

In-depth manuscript

---

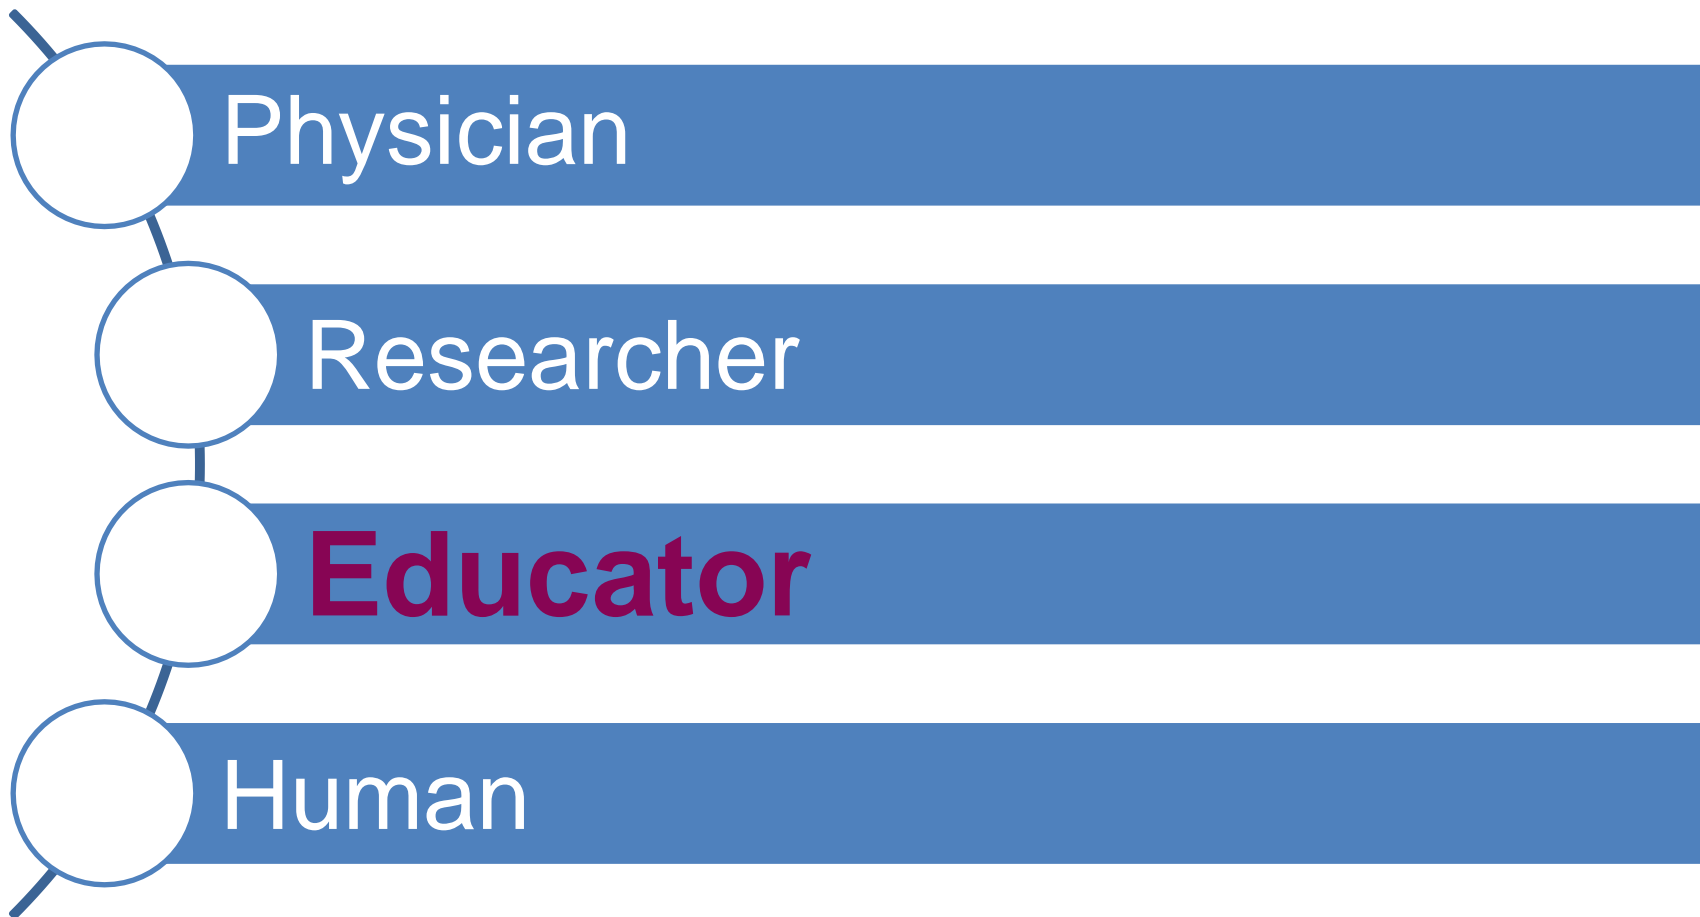

Thesis/dissertation

---

Extramural grant application

---

## Goals of Training are to Excel as...

# Educator

## Formal Opportunities to Teach

- Residents
- Medical Students – Small Group Sessions

## Clinical Opportunities

- Service
- Consults – “Consulting 101”

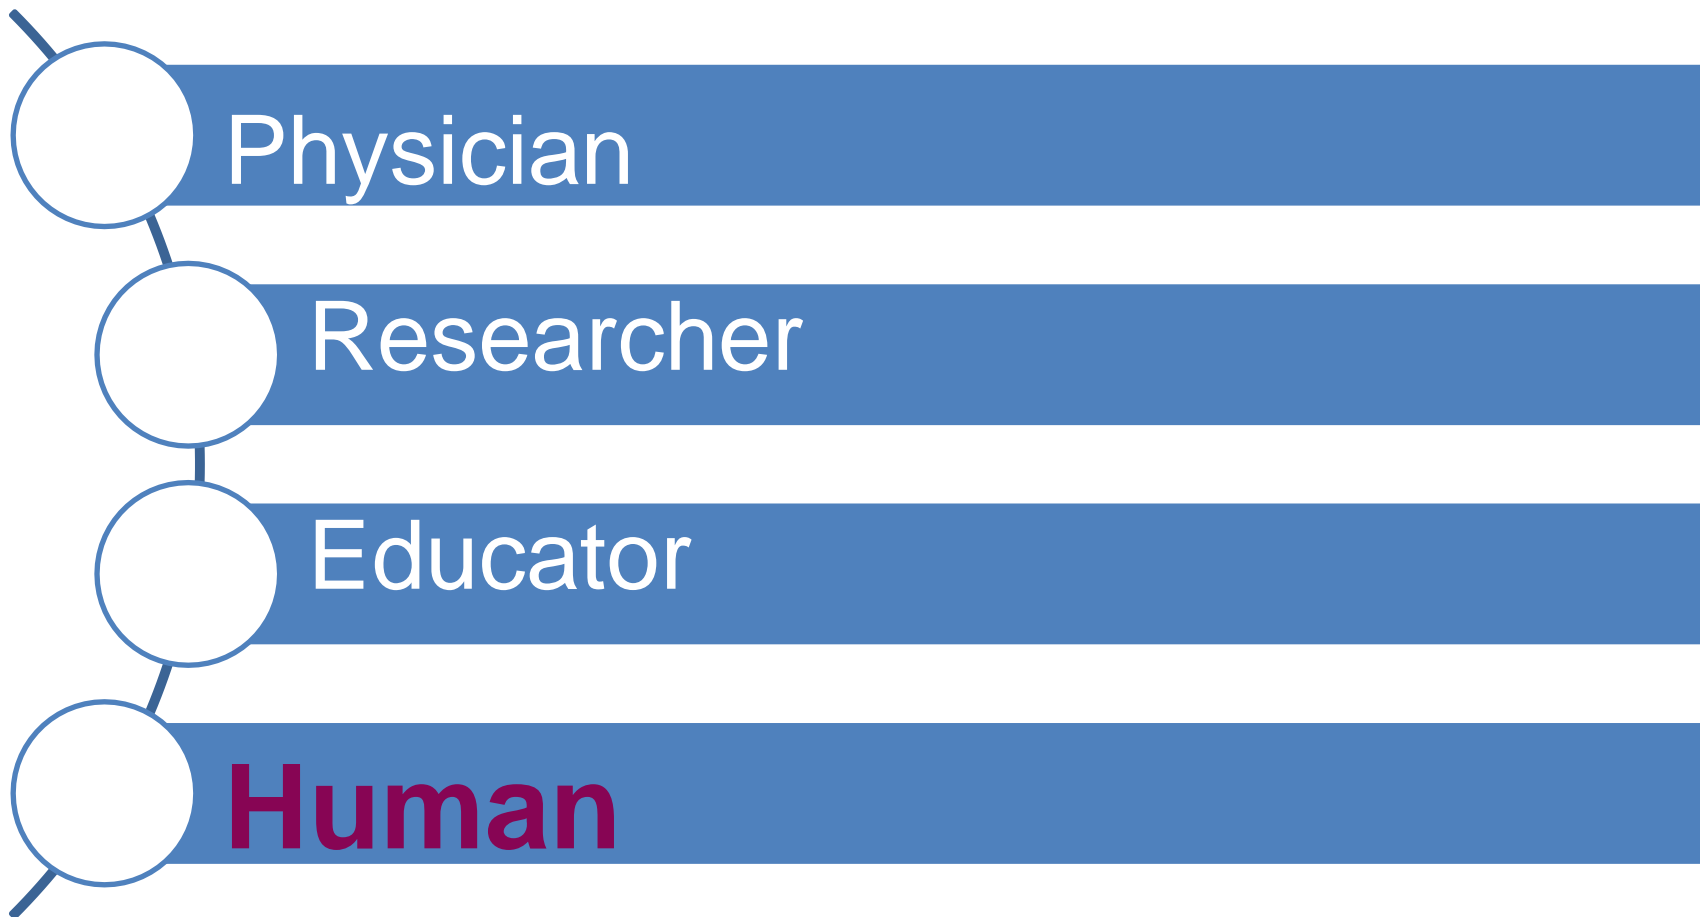

# Educator

## Participation in Institutional GME

- Peer-selected representative
- Participation in Trainee Forum
- Direct interaction with institutional leadership

## Goals of Training are to Excel as...

# THRIVE

## Teaching Housestaff Resilience, Inclusion, Value & Equity

Diversity, equity, inclusion

Wellness/Retreats

Town Halls

# Clinical Experience and Education (Duty Hours)

Clinical and educational work periods for residents & fellows must not exceed 24 hours of continuous scheduled clinical assignments

Up to 4 hours of transition time

Time spent at home doing clinical work (ie notes, home call) counts towards 80 hr work week limit

Does not include time doing research, putting together presentations, reading, etc

# Some Important Information

- Talk to your program director about work attire
- Work hour regulations
- Epic notes – Timely closure of notes = professionalism!
- You are not alone!

**Live Long and Prosper!**

# Welcome from the Residency Program!

---

New Fellow Orientation  
July 8, 2022

# CHAM Pediatric Residency Program

---

- 85 Pediatric Residents
  - 2 child neurology residents who spend 1st and 2nd year with us
  - 4 social peds residents per class
- 4 amazing chief residents (3 categorical, 1 social peds)

# Residency Program Leadership

---

Megan McCabe, MD  
Program Director

Molly Broder, MD  
Associate Program Director

Sandra Braganza, MD  
Program Director, Social  
Pediatrics

# Program Administration

---

Aileen Mendez  
Program Coordinator

Shanique Medina  
Program Assistant

Teuta Salaj  
Program Assistant

# Categorical Program

---

- Continuity Clinic 1-2 times per week on most rotations
  - CFCC (near Weiler Hospital/Einstein)
  - FCC (Kossuth Ave)
- Majority of outpatient subspecialty exposure is in 2nd and 3rd years
- Can opt to have research elective during 2nd or 3rd year

# Social Pediatrics Program

---

- Goal: Provide outstanding training in advocacy for children and families in underserved communities.
- 12 Residents
- 2nd and 3rd year residents spend more time in continuity clinic
- Continuity clinic
  - Comprehensive Health Care Center (161st St near Yankee Stadium)
  - Poorest Congressional District of the US

# Educational Program for All Residents

---

- **Academic Half Day (Thurs 2p-5p)**
  - Residents in ED, PICU, NICU, NBN, NF do not attend, most residents on floors attend
  - Floors covered by residents, faculty, fellows, and PAs (depending on service)
- **Morning Report**
  - For residents on electives
  - Twice a week, usually 8:30-9:30 am
- **Breakfast Club**
  - For residents on the floors
  - Tues and Thurs 7-7:45 am
- **Grand Rounds**
  - Wed, 8-9 am
- **Professors' Rounds**
  - Fri, 8-9 am
- **Additional curriculum for residents on PICU, NICU, NBN, ED**

# Educational Curriculum- Social Peds

---

- Longitudinal Curriculum on Social Determinants of Health
- Tuesday afternoon teaching sessions
- Research projects focused on advocacy

# Our Expectations of the Fellows

---

- **Teach**
  - On the floors! In clinics! Consults!
  - They will reach out to you first and will soak up everything you say!
- **Give feedback**
  - Let them know how they are doing
  - If you are not sure how to approach it, come practice with us
  - If you are worried about someone, please let us know!
- **Mentor**
  - Let them know what you love about your subspecialty

# What We Provide You

---

- Smart, motivated residents (burnout prevention!)
- Residents interested in research and other scholarly activities
- Ways to get involved
  - LEADER Committee
  - Subspecialty Application panels
- Goal for this year: bidirectional resident-fellow evaluations
- Candy in the chiefs' office!

# Questions?

# WELCOME TO CHAM!

Patricia Hametz, MD, MPH  
Senior Medical Director  
Division Chief, Ped Hosp Medicine

Tara Buckenmyer, MHA, MSN, RN, NEA-BC  
Assistant Vice President of Nursing

# The Children's Hospital at Montefiore

- 142 Pediatric Beds
  - Including 26 Pediatric Critical Care (PICU)
  - 6770 discharges last year
- 56 Neonatal ICU Beds (NICU) and 2 Newborn Nurseries
- Pediatric Emergency Department
  - 50,000 visits per year
- 55,000 Specialty Ambulatory Visits and 12,000 virtual visits
- Nearly 3700 OR cases

# CHAM Team

- More than 450 Physicians
- 465 Registered Nurses
- 80 Advanced Practice Nurses and Physician Assistants
- More than 300 other associates:
  - Social Workers
  - Child Life Specialists and Family Support Workers
  - Pharmacists
  - Dietitians
  - Therapists
  - Ancillary Nursing Staff
  - Administrative Support Staff

## Unit Based Leadership

- Administrative Nurse Manager
- Medical Director
- Patient Care Coordinators (PCCs)
- Charge Nurses
- Nurse Educators

Tania Shiminski-Maher, NP  
Director, Inpatient Nursing

# CHAM ED

- One of the busiest pediatric emergency departments in the Northeast, with nearly 40,000 visits and more than 4200 admissions in 2021.
- 12 patient rooms with 17 beds
- Respiratory room with 7 beds
- 14 other patient spaces
- Specially designed area for patients with behavioral health needs

# CHAM ED

Monika Czarny MSN, RN

Danny Fein, MD

## CHAM 6: Inpatient Unit

- 30-bed School-aged Child and Adolescent Unit
- Care for patients with Eating Disorders, Diabetes, Post-operative Orthopedic and Bariatric surgery
- 6 bed Epilepsy Unit- Monitored EEG unit

# CHAM 6

Ann Marie Martinez MSN, RN

Theresa Serra, MD

## CHAM 8: Inpatient Unit

- 42 bed Infant and Toddler Unit
- Care for patients with respiratory, cardiac, gastroenterologic conditions

# CHAM 8

Gabrielle Elias, RN, MSN

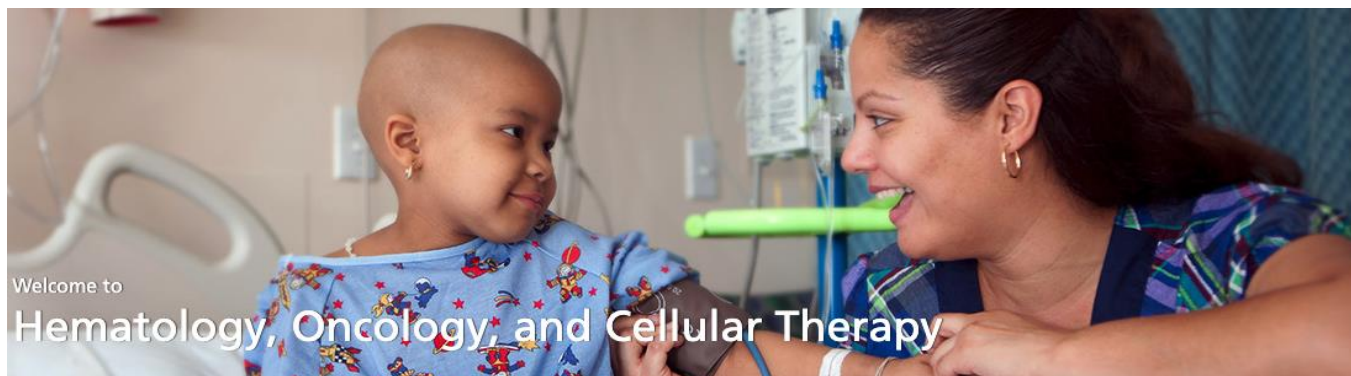

Courtney  
McNamara, MD

Kat Asas, MD

## CHAM 9: Inpatient Unit

- 36 beds
- Care for patients with hematologic and oncologic disorders
- Liver, kidney, bone marrow transplant patients
- Post-operative patients

# CHAM 9

Elvia Payne MHA, MSN, RN

Jen DaVila, MD

Lisa Gennarini, MD

## CHAM 10: Pediatric Intensive Care Unit

- 26 bed unit
- Care for almost 1300 critically ill patients per year who require intensive therapies and monitoring
- Unique expertise in MARS therapy for patients with liver failure

# CHAM 10-- PICU

Anne Marie Cirrilla MSN, RN

H. Mike Ushay, MD, PhD

## CHAM 3: Peri-operative Services

- Pre-op and Pediatric Surgery Services
  - 17 bed Post-Anesthesia Care Unit (PACU)
  - 5 Operating Rooms
- Pediatric Procedure Services
  - 3 Suites for Endoscopy, Urology
- Sleep Study Center

# CHAM 3--PACU

Deb Makin, RN, MSN

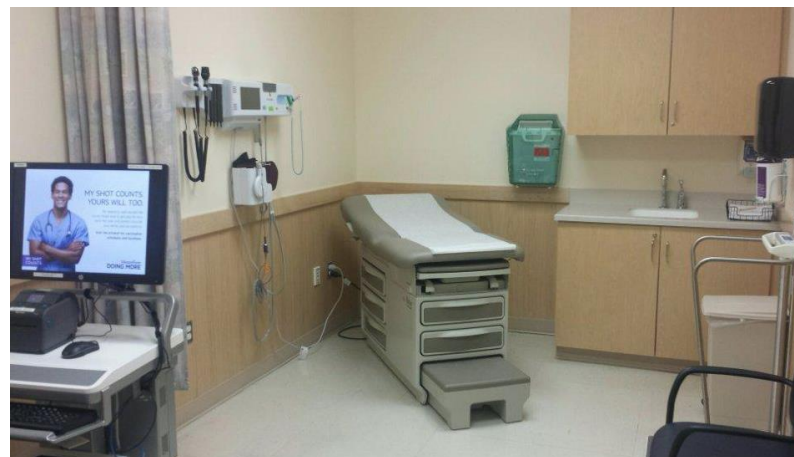

# CHAM 4: Ambulatory Services

- Adolescent Medicine
- Allergy/Immunology
- Gastroenterology
- Nephrology
- Neurology
- Phlebotomy
- Cardiac Catheterization Lab
- Rheumatology
- Rett and Williams Syndromes Clinic
- Transplant

# CHAM 5: Ambulatory Services

- Asthma Center
- Dermatology
- Endocrinology and Diabetes
- Genetics
- Infectious Diseases
- Pediatric Heart Center
- Pediatric Surgery clinics
- LINC Program (primary care for children with medical complexity)

# Rosenthal 3 and 4: Ambulatory Services and Infusion Center

## Rosenthal 3: 21-provider rooms

- Hematology and Oncology, cellular therapies; Gastroenterology
- Ambulatory sedated procedures and recovery

## Rosenthal 4: 22-bed Infusion Center

# Ambulatory Services

Lauren Wendt, BSN, RN,  
Rosenthal

Sofya Maslyanskaya, MD

Natalie Curtis, RN  
CHAM 4 and 5

Jackie Hess

# Interdisciplinary Communication

- Floor Based Huddles (Briefs)
- Daily Operations and Safety Brief (DOSB)
- Interdisciplinary Team Rounds (IDT)
- Bedside Rounds

# CHAM CONNECTION CREDO

At CHAM we believe every person and team member is a valued part of our organization.

- **C:** We show **COURTESY** for others by listening, affirming, serving, being kind, polite and thankful.
- **H:** As members of CHAM, we maintain a **HARMONIOUS** environment that allows for the provision of high quality care for our patients and our community.
- **A:** We **ADVOCATE** for practices that will improve outcomes for our patients, families, colleagues, and our community members who need a voice to stop health disparities.
- **M:** We are **MINDFUL** that our colleagues and patients are more than their title and diagnosis and should be treated as a whole: mind, body, and soul.

We believe in this credo and agree to follow its words in our everyday interactions with one another and hold each other accountable

# Patient Team Assignment Algorithm

Team	Services	Location
Orange	Heme/Onc	CH 9
Pink (PA team)	PHM +surgical ortho	CH 6 & 8
Purple	PHM + renal + liver	CH 9 & 6
Blue	PHM + endo + adol; post bariatric surgery	CH 6
Silver	PHM + Cards + GI	CH 8
Green	PHM + other medical subspecialties (pulm, neuro, rheum, genetics)	CH 8

# Contacting the Residents

- Each shift, intern signs into EPIC as “Responsible Provider”
- Each team has a senior resident phone:
  - Blue: 646 887-5718
  - Green: 646 887-5769
  - Orange: 646 887-5719
  - Pink: 646 887-5932
  - Purple: 646 887-5891
  - Silver: 917 572-6469
  - Managing Senior: 646 887-5933

# Daily Rounds

- Schedule for rounding order to ensure that each service has time to complete morning rounds and teach, and resident team finishes rounds to get tasks done in a timely manner
- Interruptions minimized so that residents can focus on each patient
- Cureatr message every morning to each service attending to facilitate any needed changes in schedule
- Rounds end by 10:30

# Blue Team Schedule

	Monday	Tuesday	Wednesday	Thursday	Friday
7:00		Breakfast Club	PHM	Breakfast Club	PHM
7:30					
	7:45 Huddle	7:45 Huddle	7:45 Huddle	7:45 Huddle	7:45 Huddle
8:00	PHM	PHM	Grand Rounds	PHM	PHM
			8:00-9:00		**
8:30					Prof Rounds 8:30-9:30
9:00	**	**	PHM	**	
9:15	<u>Adol Med</u>	<u>Adol Med</u>	**	<u>Adol Med</u>	
9:30			<u>Adol Med</u>		<u>Adol Med</u>
10:00	**	**	**	**	**
	Endo	Endo	Endo	Endo	Endo

# Daily Rounds

- Nurses participate
  - Vital team member and should be invited to participate in daily bedside rounds to provide invaluable information about the patient including overnight course, medication issues, parental concerns, etc
- Families participate in the manner in which they would like
- Please use language family prefers:
  - In person interpreters
  - Telephone Interpreters: 1 718 920-8255
  - Video-assisted interpreters (mounted I-Pads available)

# Patient and Family Centered Care is...

Working with patients and families, rather than just doing to or for them

## PFCC is...

A recognition that patients and families are *essential allies* in ensuring the health and well-being of patients and family members, and critical to ensuring *quality and safety*.

## PFCC matters because...

It leads to:

- better health outcomes
- improved patient and family experience
- better clinician and staff satisfaction, and
- wiser allocation of resources

# CHAM Family Support Services

- **Child Life Program**
  - Helps children cope with their injury, treatment and illness through creative arts therapy, medical play and healing therapies
- **Family Learning Place**
  - Located upper lobby in CHAM
  - Offers families a place to access internet, review health information and peer and social support
- **Carl Sagan Explainer Program**
  - Offers high school and college youth from the Bronx and surrounding areas with opportunities to work in a professional healthcare environment
- **Hospital School**
  - For admitted children ages 5 and older

# FAMILY ADVISORY COUNCIL

- The **CHAM FAC** is a team of devoted, enthusiastic parents and hospital staff committed to promoting a culture of patient and family centered care.
- The goal is to create a place where families feel welcome and empowered to work together with our staff and use their voice to help us improve quality of care and enhance the patient experience at CHAM.

# Questions??

# EVERYTHING I NEED TO KNOW TO BE A SUCCESSFUL FELLOW

... EXCEPT FOR THE MEDICINE. SORRY!!

Olga Myszko, MD

Third Year Post-Doctorate Fellow

Division of Adolescent Medicine

July 8, 2022

## DISCLOSURES

I do not own any of the memes, media, or likenesses within these slides.

And Montefiore pays my salary.

But I also work for tips.

I accept Ca\$hApp, Venmo, Zelle, Bitcoin, and Dogecoin.

DM me for contact info (@dr.olgamyszko).

WELCOME TO  
FELLOWSHIP!!

## WiFi access

Instructions on Monte Intranet (search “wifi”)  
You will need to register your personal device with the Monte network.  
Not recommended.

Alternatively: Monte Guest Wifi or personal data plan

Trying to access  
website with MonteGuest Wifi

MonteGuest Wifi

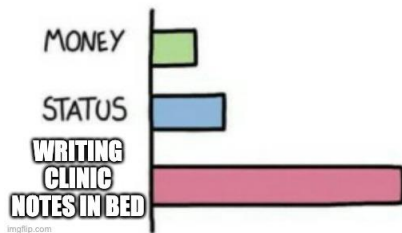

*MONTESECURE NETWORK (AS SEEN ON RESIDENCYWEBSITE INSTRUCTIONS) IS NO LONGER OPERATIONAL!!*

# Epic

WHAT GIVES PEOPLE  
FEELINGS OF POWER

## Remote Access

To access Epic from a home computer:

- Download Citrix Receiver (link available through CHAM Resident site)
- Once installed, log-in through [secureaccess.montefiore.org](https://secureaccess.montefiore.org) using your Monte credentials
- Select the app to open, which will download a file (file name full of random letters)
- Open the downloaded file, and Epic will open

## Haiku & Limerick

Mobile Epic access for your phone (Haiku) and tablet (Limerick)

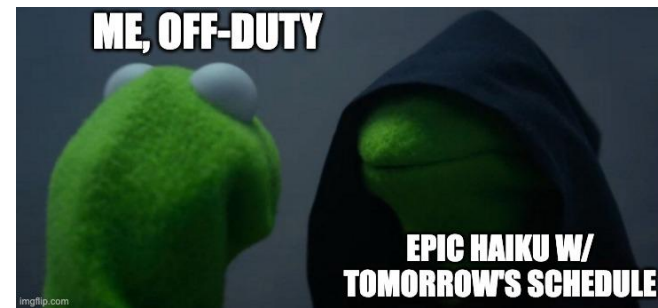

Limited functions:

- Access patient lists
- Access clinic schedules (and connect to video visits)
- Look up patients and review notes and labs
- Place orders and write brief progress notes (no other note type available)
- Will give you notifications if patients on your panel log in to phone visits, or if you selected lab results for alert\*

Epic settings from desktop will transfer to mobile app (including patient lists, default clinic schedules)

Full instructions on CHAM resident website (under **Tech How-To Section**)

1. Download the app from the app store
2. Configure the app to the Monte Network
3. Send a request to activate your device to IT ([ITservicedesk@montefiore.org](mailto:ITservicedesk@montefiore.org))
4. Find and enter your Install ID

## Lab Alerts

- When you order labs, you can select to be alerted of results (both to desktop and mobile Haiku).
- Click on the chime next to the order (BEFORE YOU SIGN) and the result will come to your inbox with a notification, as well as the supervising attending's.
- Great for time-sensitive labs you don't want to miss!

*(If you forget, you can edit the order)*

 SIGN ORDERS (2) 

## RSA access

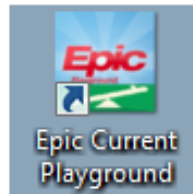

*For controlled substance prescriptions & network authentication for non-Monte devices*

Full instructions on CHAM resident website (under **Tech How-To Section**)

1. Email [ITservicedesk@montefiore.org](mailto:ITservicedesk@montefiore.org) for a token
2. Forward token email to a personal email you can access from your phone
3. Download app from app store and follow instructions to upload token and create PIN
4. Test your prescribing skills on Epic Playground

Step 1: Open up EPIC Playground

Login: IPMD08 Password: train

# SecurID™

An RSA Business

## Creatr

HIPAA compliant instant messaging app

- Available on mobile (download app and use Monte credentials to log in) and on desktop
- *Will need authentication with RSA SecureID*

All residents and attendings are using this instead of pagers

Can send photos *taken in the app*

- Cannot send photos from your phone's gallery
- Cannot save photos to your phone (HIPAA)

Can select Duty status: On duty, Busy (silent), Off duty

Can select your service (i.e., Adolescent Med Fellow)

Can set an “away”/coverage message (“Currently covered by Joe Shmoe”)

## AMSCoconnect

Welcome to the world of Pagers, 21<sup>st</sup> Century

Can select Duty status: On duty, Busy (silent), Off duty

Cannot return or create new text pages to ED or Monte Operator  
ONEWAY messaging to FIND YOU ONLY!

Maybe you can message other listed services??

... But I don't think there are CHAM services on here

## Mobile Outlook

Email for your phone!

It doesn't exist. Because HIPAA.

Use the website ([mail.montefiore.org](mailto:mail.montefiore.org)) on your phone's browser.

*Will need to authenticate using RSA SecureID*

Or download Maas360. Still, not recommended.

## UpToDate access

You will need to link your account to Montefiore:

1. Create an account and log in to UpToDate on a desktop computer on campus.
  - Do not need to create an account using your Monte email.
2. Use the same log-in info on your phone or home computer to access UTD.

You'll need to log-in on the Monte network every 3 months to maintain access.

## Online Library access

Via the joint Montefiore-Einstein library

Email [library\\_registration@einstein.org](mailto:library_registration@einstein.org) to get set up

Can access remotely via Citrix Receiver or via Einstein Library website (<https://library.einsteinmed.org/>)

You can also download EndNote from the “Research” tab

A screenshot of the Einstein Library website. The header includes the Einstein logo and "D. Samuel Gottesman Library" and "Albert Einstein College of Medicine". The navigation menu has tabs for HOME, FIND, RESEARCH, SERVICES, ABOUT THE LIBRARY, STUDENTS, and REMOTE ACCESS. The main content area features a search bar with "Albert: Library Catalog" selected, and a list of databases including Clinical Key, DynaMed Plus, Embase, Medline (Ovid), PubMed, PsycINFO, SciFinder, Web of Science, and UpToDate. There is also a "Journals" section with links to Cell, JAMA, Lancet, Nature, NEJM, PNAS, and Science. A "Library News" section is visible at the bottom. On the right side, there is a sidebar with links for Library Hours, Classes/Events, Interlibrary Loan, Remote Access FAQs, Group Study Room Reservations, and Contact Us. A "Request a consultation" button is located at the bottom right.

## Resident & Fellow Schedules

QGenda – [MontefiorePedsResidency.qgenda.com](http://MontefiorePedsResidency.qgenda.com)

- Inpatient, ED, and Outpatient resident and PA schedules
- Subspecialty fellow (call) schedules, updated by their division

Weekly Lectures (starting in September)

- Grand Rounds
- Professor's Rounds

Academic Half Day (Thursdays 2-5pm)

- All interns unavailable
- Covering senior/residents/PAs remain on the floor

Daily Floor Schedule

- Pre-rounding & Rounding (7-11am)
- Interdisciplinary Team (IDT) Rounds (10:30-11:30am)
- Lunch

**Migraine**

**Hypertension**

**Stress**

Trying to figure out who's on call for Peds Neuro

## House Staff Funds

\$500 per academic year (July thru June)

Available for academic expenses

- Tech equipment (laptop, tablet, phone)
- Journal subscriptions
- Society dues
- Conference fees
- Exam prep
- Textbooks

Submit for reimbursement yourself (save receipts!)— email Ms Jennifer Burke ([jburke@montefiore.org](mailto:jburke@montefiore.org)) for instructions

## Logistics

If you have an **office in Wayne**—email [IDaccess@montefiore.org](mailto:IDaccess@montefiore.org) to be sure you have nights/weekends access to the building elevators and to CHAM staircases

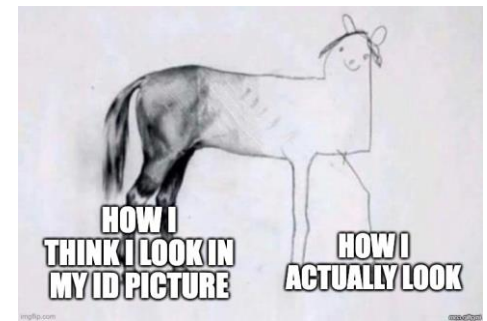

**Parking**—available at the 210<sup>th</sup> St garage (and Weiler lot, with separate registration at their office) with pre-tax paycheck deduction (approx. \$70)

- Valet parking once all spots are taken, usually starting at 8-8:30am on weekdays (give yourself an extra 10-15 mins to find parking, more if coming later in the day)
- Key pick-up at office by garage entrance after 5:30pm
- Other parking garages do NOT validate or reimburse House Staff parking

**Inter-Campus Shuttle Schedule** (Moses/Weiler/Einstein) available on CHAM Resident Website

Shuttles also available from Moses (210<sup>th</sup> Street Entrance/Garage) to:

- Wakefield (Monte North)
- Botanical Garden Metro North station
- Riverdale (Waldo) housing

# QUESTIONS??

DON'T WORRY. IT'S GOING TO BE GREAT.  
OR AT LEAST, BETTER THAN RESIDENCY.
